**FOR IMMEDIATE RELEASE**

## **ALLYE RATLEDGE RELEASES TWO SINGLES “LOVE IS AN ARMY” AND “ANGEL”**

National recording artist Allye Ratledge has released two new singles available for download. These two singles draw from her roots of country music and her love of soul all wrapped up into two lush ballads. Allye uses her powerful, smooth vocals to cover two beautiful arrangements of “Love Is an Army” and “Angel.”

Allye has been featured on various popular radio and news programs in the Pacific Northwest such as the talk program “Wake up with Jeff and Stevie” as well as numerous appearances on the morning TV news show “Good Morning Northwest.” Allye previously released an album with her band Bluestone in July 2011 with nationally known keyboardist, trombonist and singer John Farey (Sly and the Family Stone, Van Morrison, Zero, John Cipollina).

100% of the proceeds from these singles benefit “Partner for Life” which is a fundraiser dedicated to raising funds for Allye’s dear friends to obtain a service dog. To see more information on this fundraiser please visit [www.ServiceDogForDrew.com](http://www.ServiceDogForDrew.com). These two singles are available on iTunes, Amazon, and CD Baby as well as various other digital outlets.
